- V. The 5P-Canada project started in November 2019 and will end in April 2023. It covers the regions of Kayes, Gao, Mopti, Timbuktu and the District of Bamako. It is implemented around three (03) components, namely: the DDR component, MOC and community policing. The JI component concerns the northern regions (Timbuktu and Gao). The DDR component concerns the regions of Timbuktu, Gao and Mopti, with an extension of the consultations to Bamako. The local police component concerns the regions of Kayes, Mopti, Timbuktu, Gao and the District of Bamako.
